Aural Space - FREE Casual Island Game Sounds

Package Description

FREE Casual Island Game Sounds by Aural Space, is but a tiny version of the full Sample Pack, which you can find at: <https://assetstore.unity.com/packages/slug/166440> featuring 75 unique island sound effects.

Package Contents

Buttons : 6 button sounds, including pressed and hover behaviours.

Jingles : 5 short musical themes to enhance the player's experience.

Main Soundtrack : A unique, happy song created to further enhance each sound. We encourage you to download the *Casual Island Game Loops* Sample Pack by Aural Space, for more incredible island-themed music.

Find it right here:

SFX : 5 sound effects to add life to your game.

Although this document shows the suggested use for our Sample Pack, creativity has no limits and we highly recommend that you also use these sounds outside of their intended use; who knows what they will bring? Last but not least, we always add an “_Icon” file to each of our sample packs, which can be used to replace the existing icon of the sample pack's folder. This is done to offer a more personalized and branded experience.

All audio files are subject to the Store LICENSE.

“We hope you’ll find this package useful while making your game, he lā kupaianaha!”
